In line with the importer's established market launch processes for the current Dodge and RAM product line-up, AEC Europe is working on tests and adaptation to EU-standards and the subsequent distribution through the official dealer network of over 125 partners in all of Europe.

"We have a very optimistic outlook on the 2021 RAM 1500 TRX launch. This is owed to a steadily growing demand for high-performance pick-ups in Europe and therefore expected popularity of this
